

# Grocery Certificate Fundraiser

Students can earn \$5 for every \$100 worth of grocery certificates purchased from our school treasurer for King Soopers . The great thing about this fundraiser is that it doesn't cost anyone any money. King Soopers pay us for selling the certificates for them.

## You Can Start Now!

Simply write a check to East High School with your grocery money once, twice a month or every week. The treasurer will give you grocery certificates for the full amount of your check and deposit 5% of the amount to the designated students trip account. You can send the money with your child or bring it to the treasurer yourself.

**Some schools finance their entire trip with this fundraiser alone, the key is organization. In order to make this very successful, follow the suggestions below:**

1. Create a network of people (neightbors, co-workers, relatives) to buy certificates for.
2. Make it covenient for them (pick up checks and deliver certificates on a specified day or days every month).
3. Work together with other Vocal music students families to make pick up and delivery safe and convenient.
4. Set a dollar goal per month (\$1000) per month of certficates = \$50 fund raised for the student.
5. Use the order form to keep track of orders.

Below is a form that you can print off and use to make your certificate orders, if you wish.
